GROW UP WITH MY DAUGHTER

How about going hiking today?

You are going. You shouldn't indoor everyday

It's lovely to enjoy the nature! Isn't it?

Daddy, I'm tired

You ought to learn perseverance and determination! You can make it!

I'm not going to help you.

I'd dead.

It's interesting! When can we come again?

Oh my little pumpkin. You've done a great job today! We don't have to come anymore!
